thibaultCha

Profile

22 yo

Passionate about software development and tech industry, I took part in many projects in school or during past work experiences. Respectful and admirer of good development practices, I love to build things, great designs, polish my shippings and learn to get better.

Experience

iOS Developer, MySeeen ; Paris — May 2013 to now

Development of MySeeen's v2 application (http://myseeenapp.com).

iOS & Backend, Charbon Bleu ; Paris — April to July 2013

Charbon Bleu's new iOS application development. Much more complicated than alloQR, this experience theached me a lot about advanced iOS programming techniques and cross-platform APIs.

iOS & Web developer, Charbon Bleu ; Paris — April to September 2012

Development of several websites including the alloQR platform (http://alloqr.fr) and its iOS application, available on the App Store. Use of CMS as Wordpress or Magento.

Web developer, Agence Yelloh ; Levallois-Perret — April to June 2011

Education

ECE Paris, Engineer's degree in Information Systems — *2012 - 2014*

ECTEI Paris, Web & Mobility development license — *2011 - 2012*

IUT de Villetaneuse (Paris 13 University), 2 years technical degree — *2009-2011*

Lycée St. Joseph, Sallanches (France), Baccalauréat (A-level) in Science — *2009*

Skills

Web	Languages	Environnements	And
PHP	Java	iOS	UML
